

Jewels Academy

JOIN EMERGING WOMEN EXCELLING IN LEADERSHIP
AND STEM

WHO WE ARE

Jewels Academy, is an organization that offers award-winning STEM and self-enrichment programs for underrepresented young women in 4th – 12th grades. The 10th - 12th graders are assistants to the workshop instructors.

OUR PROGRAMS

*Young Emerging Scientists STEM Program: 4th-9th Grade

Annual Math Camp: 4th-10th Grade

Peer Mentors: 10th-12th Grade

*2021 Seal of Approval from the Governor's STEM Advisory Council

OUR MISSION

The mission of Jewels Academy is to provide young women the competitive edge needed to succeed academically, and vocationally in science, technology, engineering, mathematics, leadership, financial stewardship, and the arts within an encouraging and nurturing environment.

OUR METRICS

- Reached more than 14,800 students and their families in community events since 2012
- Provided over \$16,200 in college scholarships
- Served over 50% females of color targeting underserved populations
- Programming reached throughout the U.S.
- 100% of high school peer mentors seek higher education
- 75% of Peer Mentors pursue a STEM Major in college
- Recognized year over year for award-winning programming

STUDENT TESTIMONIES

"Jewels Academy taught me that women can be exceptional professionals in STEM because gender is not a determinant in my ability to succeed." - (Oule, Des Moines, IA)

"Jewels Academy inspired me and gave me the boost I need to keep treading on." (Carrington, Macon, GA)

"The people in these programs have helped pave my path towards the future and as I looked back I am proud to be the person I am and the person I will be in the future." (Irvine, Des Moines, IA)

"After my first summer in Jewels Academy I was fired up and ready to dive deeper into my interest in science" (Harvey, Galesburg, IL)
